Treatment Consent

The permission of a parent or legal guardian is necessary for dental treatment of a minor. As a minor child, it is necessary that a signed permission be obtained from a parent or legal guardian before any dental care can begin. As a parent or legal guardian of the above patient, I acknowledge that the above information is correct and grant "Marlboro Pediatric Dentistry" permission to provide my child's dental and related medical/surgical treatment as deemed necessary, including digital radiographs (x-rays), diagnostic, restorative, oral surgery, and patient management techniques that are reasonable, necessary and advisable. Protective restraints are used when a child might harm themselves or when certain procedures may jeopardize their health and welfare without such restraints. I also authorize the administration of anesthetics or analgesics that are advisable by *Dr. Yana*, such as nitrous oxide (laughing gas).

I have given an accurate report of this patient's physical and mental health history. I have also reported any prior allergic or unusual reactions to medications, latex, foods, or metals, and any other disease or condition, including pregnancy.

I agree to inform Dr. Yana and the staff of "Marlboro Pediatric Dentistry" of any changes in the medical history. This authorization is valid until revoked by me in writing.

Financial Policy

If you have insurance, we will do all we can to maximize your benefit. Dental Insurance is a contract between you, your employer, and your insurance carrier. Your dental insurance is not a contract between your insurance carrier and your doctor, unless your doctor is a provider for your insurance carrier and has contracted to a specific fee schedule with your carrier. The estimated payment for the primary policy will be due at the time of service.

On treatment visits, we are usually able to accept your insurance if you obtain prior approval from our office. If we accept your insurance, we will have you pay your estimated portion not covered by insurance (we will determine for you). If your insurance pays more than your account balance, we will send you a refund immediately.

No procedure performed on the human body can be guaranteed, as such payment is due and fees are non-refundable regardless of treatment outcome.

NON-INSURED PATIENTS: All fees are payable on the day service are rendered.

Financial Agreement: I have read understand, and agree to the financial policy set forth by Marlboro Pediatric Dentistry. I understand that this office has not contracted with any insurance company and will file my insurance as a courtesy. I understand that insurance benefits given at the time of service are only estimates and that I am responsible for the payment of this account. I understand that as soon as my insurance carrier issues a payment, or after 60 days, any unpaid portion of my claim will be due. I authorize my insurance carrier to issue benefits directly to this office and also the release of any information necessary to process the dental insurance. If the use of a third party becomes necessary to secure payment, I agree to be responsible for any and all collection charges incurred, which includes 35% of my outstanding balance and cost of collections, which include court costs and attorney fees.

Parent/Guardian Signature: _____ Date: _____

We value your busy schedule and strive to see patients at their scheduled appointment times: We ask you to extend the same courtesy. Whenever possible please provide a minimum of 24 hours advance notice when requesting a scheduling change so that we can arrange care for our other patients experiencing urgent dental needs.

Appointment Cancellation Policy

We at Marlboro Pediatric Dentistry strive to render excellent dental care for your children and the rest of our patients. In an attempt to be consistent with this, we have an **Appointment Cancellation** Policy that allows us to schedule appointments for all patients. When an appointment is scheduled, that time has been set aside for your child and when it is missed, that time cannot be used to treat another patient.

Our policy is as follows:

We require that you give our office **24 hour's notice** in the event that you need to reschedule an appointment. This allows for other patients to be scheduled into that appointment time. If you miss an appointment without contacting our office within the required time, this is considered a missed appointment. A fee of \$50.00 will be charged to you. This fee cannot be billed to your insurance company and will be your direct responsibility.

Exceptions to this policy can be determined only on an individual basis, according to the circumstances. We understand that children can get sick or other unexpected emergencies make it necessary to cancel an appointment with less than 24 hour notice.

We assure you that following all of the above policies will allow us to best accommodate and serve you and your child better.
